## Alumni Homecoming 2024 at the Whitefield-Sarjapur Campus

July 14 - Inventure's Founders Day - is also the time we welcome graduates back home to Inventure. In its second year now, Alumni Homecoming welcomed almost 100 alumni back for some nostalgia, networking and biryani!

While the greetings, hugs and backslapping commenced, alums took care of some administrative housekeeping by getting their Alumni ID cards made and ensuring that we have all their right coordinates. The class of 2024 went off to plant their Class Tree and mark their stake at Inventure Academy!

By the time lunch was rolled out - with sumptuous biryani cooked by Kanakraj himself - and ice cream for dessert of course - everyone was relaxed and happy. We used this opportunity for Nooraine to address alums and she welcomed them home, to the home of Changemakers, the home of Innovators and the home of Entrepreneurs - a breed the world so desperately needs! She urged alumni to find solutions to making the world a better place.

Nooraine briefly told the story of Inventure to demonstrate that anything is possible if you will it and work hard at it: "Inventure was conceptualised in October 2004 and became a reality in July 2005 - yes, it's possible to stretch and make it happen! Twenty years later, Education World awarded Inventure its inaugural School of the Year Award! We are one of the top 5 schools in India! With another Inventure Academy at Yeshwantpur and one more in the pipeline! We faced hardships and roadblocks, but we pursued our dream and our goal. It IS possible to make anything happen!"

She also spoke about the importance of having a bias for action and being a Changemaker: "We are also Changemakers and we adopted the Ramagondanahalli Government School which just secured a 100% pass in its first SSLC batch! We are in the process of adopting 5 more government schools to make a larger impact! If you don't like the system, you change it. You will always have challenges and ups and downs - but you need to have a goal, you need to aspire, to achieve and Walk the Talk!" That's the Inventure spirit!

### **Inventure Academy, Yeshwanthpur Campus Elects its First Student Council**

Inventure Academy's Yeshwanthpur Campus recently celebrated a significant milestone—the successful conduct of its first Student Council elections. The enthusiasm and dedication displayed by our students throughout this process was truly commendable.

The campus buzzed with activity during Election Week, with candidates speaking of their ideas and vision during House lunches and interview rounds. The final speech day allowed them to articulate their plans for contributing to the school community.

On Thursday, 11th July, students from Grades 1 to 8 exercised their 'right to vote'—a powerful demonstration of their understanding of the democratic process and the responsibilities that it entailed. Beyond the mechanics of voting, this event fostered a sense of community and emphasized the importance of civic engagement among our young learners.

The newly elected members of our very first Student Council (STUDCO) for the academic year 2024-25 are named below:

## **Yogis from Whitefield-Sarjapur Campus Shine at the 10th International Day of Yoga!**

In honor of the 10th International Day of Yoga, 25 of our very own yoga enthusiasts from grades 4 to 7 participated in the 10th Yoga Sports Championship! This exciting event, held on Sunday, July 14th at the Koramangala Indoor Stadium, was organized by SGS International Yoga Foundation College and Research Centre in association with the Karnataka Yogasana Sports Association.

Over 1000 participants from various schools, colleges, and Yoga centers came together for this prestigious competition. Our students were guided by the dedicated Inventure Yoga team, led by Mr. Anand. Special training sessions were held, both during and after school hours, and the team ensured that our young Yogis were taken through rigorous Yoga practice without compromising their academic schedules. With the unwavering support of their parents, the students were well-prepared to excel at this grand event.

The competition itself was a true display of talent and learning. All 25 Inventure participants showcased their exceptional style and determination, giving their best and truly seizing the day! We are incredibly proud of their dedication and hard work in representing Inventure at this remarkable event.

Their participation not only served as a platform to showcase their Yoga skills but also inspired others to embrace this ancient art form connecting mind, body and soul.

Below are some of the key achievements:

**Inventure Whitefield-Sarjapur Makes a Splash with its First Swimathon!**

Inventure made waves on Saturday, July 13th, with their inaugural Swimathon! This exciting event, organized entirely by a dedicated team of Grade 11 swimmers, brought the school community together for a fun and meaningful cause.

Open to students from grades 1 to 12, the Swimathon wasn't just about competition - it was about fostering a spirit of teamwork and giving back. Every stroke taken was not towards a personal victory, but towards making a difference to the lives of others. A big round of appreciation goes out to our parents who donated generously to this event. All proceeds from the event will be donated to Swanthana, a local orphanage for mentally and physically challenged girls.

The Swimathon provided a fantastic platform for students of all ages to showcase their swimming talent and celebrate their achievements. More importantly, it instilled a sense of social responsibility and the power of community in our young swimmers. A big round of applause to the Grade 11 organizers for their initiative, and to all the participants who dived in for a great cause!

## **Saisha Chawla of Inventure Whitefield-Sarjapur Selected for State Football Team!**

Inventure's very own Saisha Chawla is kicking her way to glory! This Grade 11 student has been selected for the Karnataka Under 17 Girls Football Team. The team will compete in the upcoming Junior National Girls Football Championships to be held at Belgaum, starting July 27th.

Saisha's selection is a fantastic achievement, and the Championships will be an amazing opportunity for her to showcase her talent on a national stage. Let's all cheer for Saisha and the entire Karnataka team as they compete for the top spot.
