A Nightingale at our Yeshwanthpur Campus - Avani Nandakumar Sharma achieves a distinction in the Grade 4 Music Vocal exam.

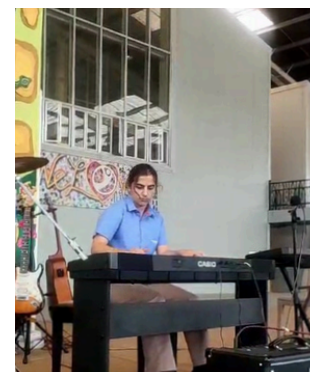

Young Bridge Prodigy Makes a Splash at the Nationals! - Madhav Prakash's success at Bridge.

A Celebration of Yoga and Music

This week, the Inventure communities at Whitefield-Sarjapur and Yeshwanthpur celebrated World Yoga Day, echoing the spirit of the UN resolution 69/131 dated 11 Dec 2014. Additionally, World Music Day too was celebrated at both our campuses, resonating the call that was first mooted in France several years ago as the *faites de la musique*.

Whitefield-Sarjapur Campus held a 10-day Yoga festival where the children showcased various postures like seasoned yogis. The younger ones did their best at *Pranayama*, while the senior students displayed their commitment with 30 *Surya Namaskars* every day. At the assembly this week, it was a series of awe inspiring performances in music and Yoga by our students.

Over at Yeshwanthpur, the energy was equally electric. Children, along with some enthusiastic parents, struck various yogic postures with impressive coordination. But the fun did not stop there! As the world also celebrated World Music Day on 21 June, our talented musicians took centre stage, treating everyone to beautiful solo recitals – both vocal and instrumental. The celebrations concluded with a sumptuous breakfast-spread where parents, students and faculty got an opportunity to connect in an informal atmosphere.

Awards Ceremony at Whitefield-Sarjapur Campus

Our core purpose at Inventure is to empower learners to realise their full potential, ignite change, and create a positive impact. Having instituted an array of awards that recognize and reward learners in diverse areas, we encourage and nurture their individuality and potential, while guiding them in the pursuit of excellence.

Inventure Academy Whitefield-Sarjapur's Awards Day was held last week. The different awards that were given were - 'Excellence', 'Big Leaps', 'Class Toppers', and 'Subject Toppers'.

Excellence Awards: These awards celebrated students who had consistently demonstrated exceptional performance throughout the year in academic and extra-curricular activities. Receiving such recognition validated their hard work, dedication, and commitment to excellence.

At the beginning of each academic year, we introduce learners to the process of the Excellence Awards, and this spurs them on to identify a field they want to excel in, create a plan, and work towards achieving it.

Big Leap Awards: These awards acknowledged students who had shown significant improvement in their academic performance. This recognition highlighted their growth, perseverance, and willingness to learn.

Class Toppers & Subject Toppers Award: These awards celebrated students who had achieved the highest marks in their class or subject. It acknowledged their mastery of the material and also inspired them to maintain that level of achievement.

Awards day was a validation for every Inventurer's time and effort. It provided them with a sense of accomplishment and motivated them to continue excelling. Additionally, it also fostered a sense of pride and satisfaction for both teachers and students.

A Nightingale at our Yeshwanthpur Campus

Congratulations to Avani Nandakumar Sharma, a student of Grade 6 at the Yeshwanthpur Campus, for her outstanding achievement in the Grade 4 Music Vocal Exam, conducted by the London School of Music . Clearing the exam with distinction is a testament to her natural penchant for music.

Avani's long-standing love for music and her commitment to excellence have truly paid off. We are incredibly proud of her success and have no doubt that she will go on to win further laurels in the years to come.

Young Bridge Prodigy Makes a Splash at the Nationals!

Madhav Prakash, of Grade 12 at Whitefield-Sarjapur Campus, participated in the Junior and Sub Junior National Bridge Tournament held at Nasik in the last week of May. This brilliant young player secured an impressive third place in the highly competitive Under-21 category, showcasing his strategy and prowess at the game.

The National Bridge Championships brought together some of the brightest minds in the game, and Madhav's performance was a testament to his dedication and talent. With this win, he has paved the way for even greater achievements in the world of bridge. Congratulations, Madhav!
