An Outbound Adventure for our Grade 6 students of the Whitefield-Sarjapur & Yeshwanthpur Campuses

Imagine a world beyond the classrooms, where textbooks are traded for trekking boots and the quiet of the library is replaced by the roar of adventure. Our Grade 6 students recently embarked on just such a journey, venturing into the heart of Bhillar in Maharashtra.

From scaling towering cliffs to clambering up a web of ropes, our young explorers pushed their boundaries and discovered a side of themselves they never knew existed. The laughter, the camaraderie, the shared triumphs – these were the moments that shaped their experiences.

Returning to school, our students were transformed. They carried with them not just memories, but also a newfound sense of courage, resilience, and the power of teamwork. Their Bhillar adventure was more than just a trip; it was a testament to the spirit of adventure that lies within each and every one of us.

Grade 8 students of the Whitefield-Sarjapur & Yeshwanthpur Campuses go on a 5 day Camp

Grade 8 students from both the Yeshwanthpur and the Whitefield-Sarjapur campuses recently embarked on an outbound trip to Tamia in Madhya Pradesh. The five-day camp, held from October 1st to 6th, provided students with a unique opportunity for adventure and personal growth. Upon arriving at the camp, students were briefed by the Camp Chief on the guidelines and expectations during their stay.

Each day of the camp featured two exciting outdoor activities. On the first day, students challenged themselves with the Tyrolean traverse (crossing over a free space between two high features) and various rope challenges. The second day brought rappelling and spider web activities. On the third day, students learned the essential skills of tent pitching before embarking on an overnight trek to a remote site away from the main camp. During the trek, students cooked their meals, set up their own tents and enjoyed gazing up at the serene and starry night sky.

All activities were conducted under the supervision of experienced instructors, ensuring the safety of all participants. The outbound trip to Tamia was a memorable experience that provided students with valuable lessons in teamwork, resilience, and problem-solving.

A Thrilling Adventure in Coorg for our Grade 4&5 students of the Yeshwanthpur Campus

From October 2nd to 6th, students from Grades 4 and 5 of the Yeshwanthpur Campus embarked on an unforgettable educational journey to Coorg, a picturesque hill station in Karnataka. The trip was designed to immerse students in the local culture, teach them essential survival skills, and foster teamwork and an appreciation of nature.

Day 1 saw the young explorers arrive in Coorg, where they were immediately introduced to the wonders of the region. A nature walk led them to stunning waterfalls, and thereafter, a team-building activity that helped them bond and choose a team name: "The Active Champs."

Day 2 brought exhilarating rock climbing adventures, guided by experienced instructors. Students conquered their fears, learned valuable safety measures, and celebrated their achievements as they scaled various climbing routes.

On Day 3, the students prepared for an overnight stay in the wilderness. They learned how to set up tents, embarked on a challenging trek, and experienced the thrill of camping under the open sky.

Day 4 offered a glimpse into the local village lifestyle. Students explored the village, interacted with residents, and learned about their culture, traditions, and way of life. The evening culminated in a talent show, where the students showcased their talent in singing, dancing, and acting.

On the final day, the students engaged in team-building games and celebrated their accomplishments. As they prepared to return home, they carried with them lasting memories of their adventure and a newfound appreciation for teamwork, nature, and the diverse cultures of India.

U14 Boys Team from the Whitefield-Sarjapur Campus Participates in the ISSO National Games 2024 at Vadodara

Inventure Academy boys made a name for themselves at the recent ISSO U14 Football Boys - National Games 2024, showcasing exceptional skill and determination. Although ultimately falling 0-1 to Jayshree Perival International School in the finals, Inventure's performance throughout the tournament was nothing short of extraordinary.

The team's attacking prowess was on full display during the tournament and they netted a total of 40 goals while conceding only 3. Ved Krishnama (Grade 7) emerged as the top scorer with 11 goals, while Rishaan Chaudhari (Grade 8) was recognized for his outstanding play and earned the coveted Best Player of the Tournament award.

Inventure's journey to the championship game was a testament to their hard work, dedication, and exceptional talent. The team's performance has made them a force to be reckoned with, in the world of school sports. Congratulations to the Inventure Academy boys on an incredible season!
