Inventure Academy: A Beacon of Excellence

Last week, at the EducationWorld India School Rankings 2024-25, Inventure Academy was awarded the number one position in the Co-Ed Day School category! Nooraine Fazal (Managing Trustee, CEO and Co-Founder), Meenakshi Myer (Principal, Inventure Academy, Whitefield-Sarjapur Campus), Sowmya Ramesh (Head - Centre of Excellence), Mary Whabi (Head - Strategic Initiatives & Communications) were at the ceremony to receive the award.

A delighted Nooraine Fazal, the Co Founder and Managing Trustee of Inventure Academy said, "Ours is a happy, nurturing school which encourages students to be curious and question, rather than just knowing answers for a test. Inventure is a school that balances individual freedom with respect, responsibility, structure, self-discipline, accountability and compassion. We believe such an ethos and educational philosophy, will nurture and enable our graduates to be problem solvers, innovators and Changemakers - people that we desperately need in the 21st Century. We believe everyone is unique, and individuality is to be celebrated and capitalised upon, while collaborating on common goals for the betterment of the community and society. We will continue to strive to climb higher mountains, both within us and externally and not rest on our laurels."

The EWISR 2024-25 is the most comprehensive, in-depth and extensive schools ranking survey in India. A sample database of 8,700 respondents, including 5,150 parents and 3,550 education professionals across 34 cities in India, was surveyed to rate the country's Top 4,000 schools on 14 parameters of educational excellence, making it the world's largest annual school rankings. Nooraine Fazal affirmed, "We will continue to build on what got us here. Our Core Purpose provides the foundation to build upon something bigger than ourselves".

Round Square International Conference: A Transformative Experience

The 56th Round Square International Conference, held in Bogotá, Colombia, was a truly unforgettable event. With delegates from over 250 schools across 60 countries, the conference provided a unique opportunity for students and adults to connect, share perspectives, and learn from one another. Inventure Academy being a member of Round Square attended this conference. The students (Daksh Mathew, Ishaan Roy of grade 11, Yavisht Sethi and Vanya Krishna of grade 10) were accompanied by Preet Benjamin Aarons and Varsha Saxena.

The theme, Blooming from the Past encouraged participants to reflect on history and its impact on the present. Colombia's journey of transformation and its commitment to a prosperous future served as a powerful example for delegates.

Renowned Colombian keynote speakers provided valuable insights into the country's challenges and successes. Their expertise and passion inspired delegates to think critically about the world around them.

The Round Square International Conference is more than just an event; it is a life-changing experience that fosters camaraderie, intellectual growth, and a passion for positive change. The lasting connections and memories made by delegates will continue to inspire them as they strive to make a difference in the world.

Professional Development for Inventure Faculty

Our recent two-day Professional Development session on October 14th-15th was truly engaging, with enthusiastic faculty members from all the Inventure Academy campuses participating. The PD sessions provided a collaborative platform to celebrate achievements and explore the Inventure Way of Teaching and Learning in greater depth. The Managing Trustee, Co-founder and CEO, Nooraine Fazal spoke about Building a Lasting Legacy. In the sessions, the teachers analysed the 6 Visible Effects of the Inventure teaching methodology and created Ten Commandments to teach by, for each subject. The teams worked on creating course planners for Term 2, fostering collaboration and consistency across subjects.

Key highlights included a perfect pitching session for the CRM team, focusing on honing communication skills, and an interactive workshop on effective strategies for PE classes, specially designed for the sports department.

The team also looked at ways to explore real-life connections in teaching and deep dived into applying data-driven teaching and using insights to drive student outcomes. By the end of the PD sessions, participants left with a clear vision, practical strategies, and renewed enthusiasm to shape future learning experiences.

Joshua Thysheril of Whitefield-Sarjapur Campus Shines at ISSO Gymnastics National Games

Inventure Academy's Whitefield-Sarjapur Campus's gymnast, Joshua Thysheril, has brought home a haul of medals from the ISSO Under 11 Gymnastics National Games 2024 which was held at Gopalan International School. The Grade 4 student's impressive performance at the Gopalan International School in Bangalore earned him:

Gold Medal: Vault

Silver Medal: Rings

Bronze Medals: Floor Exercise and Parallel Bars

Joshua's exceptional achievement showcases his dedication, talent, and the excellent training he has received at Inventure Academy.
