## Middle Schoolers at Yeshwanthpur Campus Lay the Foundation for Success

In September, our Middle Schoolers delved into some exciting life skills sessions that left them feeling empowered and ready to take on the world! Grade 6 learners took part in 'Gritty Squad: Empowering Future Achievers' with Ms. Niveadha N from the Wellbeing team of the Whitefield-Sarjapur campus. They explored how a growth mindset coupled with grit—yes, that unstoppable drive—can help them achieve their goals. Students left feeling pumped up about embracing challenges and turning obstacles into opportunities!

Meanwhile, learners from Grades 7 & 8 teamed up for 'Team Titanics: Sailing to Triumph Together,' where Architha Raj, Counsellor from the Whitefield-Sarjapur campus guided them through the art of team building. They discovered how working together is the secret recipe for success. The workshop was full of 'aha' moments, and students learned that triumph is best when shared!

## Inventure Whitefield-Sarjapur Leads the Way in Fighting Hunger

Our Primary school students became real-life superheroes, taking on the daunting task of fighting hunger. In September, as part of the 1 Million Meals program, these young Inventurers went about collecting rice and lentils, one cup at a time.

With incredible enthusiasm and compassion, our students filled several '1 Million Meals' bags, contributing to a global effort to eradicate hunger. Their dedication inspired not only their classmates but also their communities, as they encouraged neighbours to join in the cause.

The meal bags were donated to local orphanages and the students received certificates in recognition of their efforts. We will continue to support these young changemakers and help make a lasting difference in the global fight against hunger.

## Dussehra Celebrations at Inventure Campuses : A Day of Joy and Gratitude

Kindergarten students at the Whitefield-Sarjapur Campus celebrated Dussehra dressed up in their festive ethnic attire and participating in activities that captured the spirit of the festival. The children joyfully danced the *Garba* with *dandiya* sticks. They created beautiful *rangolis* with flower petals, and made lovely *torans* (decorative door hangings) using mango leaves and flowers to enhance the festive atmosphere in their classrooms.

To spread some cheer to their hardworking bus *didis* and drivers, the learners also made beautiful cards to express their gratitude. They presented the cards and shared heartfelt messages.

At the Yeshwanthpur Campus, a lively celebration unfolded as children dressed in colourful ethnic attire danced traditional dances alongside faculty members.

## Inventure Whitefield-Sarjapur's U14 Boys Basketball Team: Champions!

The ISSO U 14 Boys Basketball Tournament at Chirec International School, Hyderabad, was a spectacle of athleticism, teamwork, and pure passion. The U14 Boys team from the Whitefield-Sarjapur Campus were the Champions at the tournament. From the opening tip-off to the final buzzer, the energy was palpable. Beyond the scores and the stats, the tournament was a testament to the spirit of sportsmanship. The camaraderie and respect displayed by all the participants were as inspiring as the incredible basketball being played.

The team from Inventure comprised of the following students:

- 1 Arnav Dinesh-Gr 8
- 2 Shyam Anand- Gr 8
- 3 Divij Maheshwari-Gr 8
- 4 Aryan Bagwaldas-Gr 8
- 5 Arth Agarwal-Gr 8
- 6 Siddarth Sathish-Gr 8
- 7 Kushagara Singh- Gr 7
- 8 Om Tangudu- Gr 7

Well done indeed, we are proud of you !
