A Festival of Lights and Togetherness: Diwali Celebrations at the Inventure Campuses

On 29 of October, our campuses were ablaze with the spirit of Diwali, as the school community came together to celebrate the Festival of Lights. At the Yeshwanthpur Campus the event was a joyous occasion that brought students, parents, and teachers together in a celebration of culture, creativity, and community.

The festivities kicked off with a vibrant *Rangoli* competition, where students and parents showcased their artistic talents. Colorful patterns, intricate designs, and mythological motifs, created a stunning visual spectacle. The competition was a testament to the creativity and enthusiasm of the participants.

To add to the festive cheer, students and parents engaged in a fun-filled card-making activity. With colourful paper, glitter, and glue, they crafted beautiful Diwali cards, expressing their hope for peace, prosperity, and happiness. The celebrations extended beyond the classroom, with a pottery workshop that allowed participants to connect with India's rich heritage. Under the guidance of skilled artisans, students and parents learned the art of shaping clay into beautiful *diyas* and other decorative items. This hands-on experience provided a unique opportunity to appreciate the beauty of traditional crafts.

To conclude the festivities, a high tea was organized, where parents and children enjoyed a variety of delectable treats, including traditional Indian sweets, savoury snacks, and refreshing beverages. The event provided a perfect platform for parents and children to bond, share stories, and create lasting memories. By involving parents in the festivities, the school strengthened the parent-teacher partnership and created a memorable experience for everyone involved.

At the Whitefield-Sarjapur Campus, the children in Primary years presented *diyas* and sweets to all the support staff as a gesture of thankfulness and appreciation.

The Kindergarteners created beautiful Diwali cards and also painted and decorated *diyas* to take home. They crafted lovely lanterns, and the celebration continued with them making delicious coconut *laddoos* which they thoroughly enjoyed. Learners also collected material to create stunning flower rangolis that brightened up the classrooms and the day!

K2 learners put together a dessert (Biscuit cake), which they shared with the support staff as part of their Community Outreach Program to express their gratitude and appreciation.

Inventure Whitefield-Sarjapur Campus shines on the Global Stage!

We are immensely proud to announce that a squad of young Inventure prodigies represented India at the prestigious International School Sports Federation (ISF) Gymnasiade 2024 in Bahrain! From October 23rd to 31st, these talented athletes put their skills to the test on the international stage.

Our Table Tennis Titans:

- Kanishka Moghe (Grade 12)
- Raahil Gore (Grade 10)
- Asavari Agrawal (Grade 10)
- Ameya Kamerkar (Grade 9)
- Ayaan Thomas (Grade 9)

With their skilled coach, Stalin Prabhu C- guiding them, our team made waves in the tournament. Stalin Prabhu C was also the coach for the entire Indian team.

Ameya Kamerkar, our rising star in Grade 9, was part of the Indian Boys' Team that clinched the Runner-Up position in the Mixed Doubles category. And that's not all! Asavari Agrawal, our talented Grade 10 player, was a key member of the Indian Girls Team that powered their way to the Quarter-Finals.

These incredible achievements are a testament to the dedication, hard work, and exceptional talent of our students. We're immensely proud of their accomplishments and wish them continued success in their sporting journey.

Inter School Badminton Tournament-Preksha Gupta of the Whitefield-Sarjapur Campus Secures Runner Up Position

We are thrilled to announce the outstanding performance of Preksha Gupta (Grade 5) in the recent Inter School Badminton Tournament at Amaatra Academy.

She secured the Runners Up position. Her dedication and hard work have brought immense pride to our school.
