**Alumni Reunion** - Fostering lifelong connections at our alumni gathering.

**Karnika Karthick of the Whitefield-Sarjapur Campus Selected for Karnataka U-19 Cricket Team** - Congratulations to our cricketing prodigy!

## Inventure Outbound: A Team Building Retreat for Faculty and Staff

The recent Team Inventure Outbound at Clarks Exotica (Dec 19-21, 2024), facilitated by INME, was a resounding success. The event kicked off with high energy, featuring a lively penguin dance and a unique icebreaker where friendship was sealed with a special handshake.

Teamwork was the central theme throughout. From collaborative 'tower building' activities, where we learned that true synergy arises from teams working together, to insightful discussions on appreciation, feedback, and effective communication, the outbound fostered a deeper understanding of teamwork. The 'tower building' activity involved using materials like straws, paper cups etc to build a tower as tall as each team could construct, while ensuring that the structure remained stable.

Day 2 culminated in a festive Christmas party, complete with carols, Secret Santa exchanges, and great music by DJ Roly.

The three days at Clarks Exotica was a valuable reminder of the importance of collaboration, growth, and working together as a team. We returned home energized and inspired, with lasting memories and new friendships forged.

## Alumni Reunion

The school actively cultivates alumni engagement through annual events like Homecoming in July and a dedicated December gathering for alumni who come back to Bangalore from all over the world. In 2024, the December event took place at Hangover, Bangalore, on the 29th, bringing together the alumni community, the founding members of Inventure, Nooraine Fazal (Managing Trustee, CEO and Co-Founder), Preet Benjamin (Dean of Student Affairs) and Varsha Saxena (Head - Finance and Admin). The faculty member present at the event was Ugam Raj (Educator and Mentor, Advanced Math).

These initiatives aim to foster a strong sense of community among our alumni, providing opportunities for networking, reminiscing shared experiences, and supporting the continued growth of the school.

## Karnika Karthick of the Whitefield-Sarjapur Campus Selected for Karnataka U-19 Cricket Team

Karnika Karthick, a 14-year-old prodigy from our Whitefield-Sarjapur Campus has achieved a remarkable feat by being selected for the Karnataka U-19 Cricket team for the Women's One Day Trophy 2024-25. This is a testament to her exceptional talent and dedication to the sport.

Karnika and the Karnataka team will participate in the tournament at Surat from January 4th to 12th, 2025. We extend our heartiest congratulations to Karnika and wish her and the team great success as they prepare for the exciting matches ahead. May they showcase their skills and bring glory to Karnataka
